

Mothertown Quilt Guild - Mystery Quilt 2013-14

Finished Quilt Size - 39" x 47.5"

Step #1 of 6- Choosing Your Fabric

You will need three fabrics with good contrast between them for the quilt top. Main fabric and Accent fabric should not be a large print. Main fabric or accent can be scrappy but I do not recommend both. You must have good contrast between main and accent.

Finished Quilt Size - Crib - 39" x 47.5"

Main - 1 1/2 yds (3/4 yd for piecing and 3/4 yd for border)

Accent - 1 1/4 yd (1/2 yd piecing, 3/4 yd for binding - double layer)

Background - 1 1/2 yds

Backing - 1 1/2 yds

Main fabric will be shown as
