

## SUPPLY LIST FOR ONE BLOCK WONDER WORKSHOP

Fabric: 6 repeats of design plus extra if you want border or back. Fabric must be UNWASHED in order to cut accurately. If your fabric repeat is 8 inches or under, you could get 12 repeats. If not, your quilt will be baby sized. Try to find fabric with multiple sized designs in it, not all in one direction, and some variety of color.

Other fabric option would be to use 6 panels, plus one extra for the middle or back. Use the same criteria listed above.

60 degree ruler, such as from Creative Grids

Pins, cutting mat and ruler, rotary cutter, sewing machine, thread

Good resource books if you want to refer back to it or to get inspired are the One Block Wonder books by Maxine Rosenthal. Also there is a facebook group for one block wonders if you are looking for more inspiration.
