

MOTHERTOWN QUILT GUILD UFO CHALLENGE

Are you UFO challenged?

Are you ready to complete 6 of your unfinished projects this next year?

To participate list on the attached sheet the unfinished projects that you would like to complete. Every 2 months the dice will be rolled and that number will correspond with a number you have assigned to a project. Example: If the number 4 is rolled in October, you will have to complete that project listed as #4 on your list by the December meeting. In December, if the #1 is rolled then you have until the meeting in February to finish the project listed as #1 on your list. You will have 2 months to complete each project.

Everyone's number six (6) will be due at the next October meeting. This is a project of your choice. So, if you have a big project you would like to finish and need a whole year to finish then that is the one for your number 6 slot.

The rules are simple: A UFO is any piece of fabric, cut into for the purpose of making a quilt, wall hanging or other object of art that is made of fabric totally or partially quilted and not completed.

Completed means totally quilted, bound, labeled, and ready for use.
