

Retreat Wheels DIY

I bought these on Amazon

SOYO Furniture Dolly Movers with Lifter, Moving Dollies with Wheels Heavy Duty 500 LB Load Capacity, 6-Inch Steel Tri-Dolly, 3 Wheel Roller Move Tools Lifting Equipment, 4 Pack, Silver

Magicatorange 4 PCS Precut Walker Tennis Balls for Furniture Legs and Floor Protection, Heavy Duty Long Lasting Felt Pad Glide Coverings

I bought these at the hardware store

4- 3/4" carriage bolts with a flat or very slightly rounded head

4- washers

4- 3/4" nuts

Instructions –

Drill a hole in the opposite end, from the precut slits of the tennis ball

Put the washer onto the bolt

Put the bolt through the slits, then the hole in the tennis ball

Put the bolt onto the 3 wheel mover

then add then the nut and tighten

You are now ready to roll around the retreat
