- For class, if you're sure of your fabrics, press and starch them before class; if unsure, wait until class.
- You may use the star point diagram below to lay out swatches of your fabrics to see if you like the color placemen, referring to diagrams above.
- You may want to wait until star points are made in class to decide on your background fabric – the background won't be needed until the second class.

Inner Point – center of quilt = A

Outer Point = G
