# Love Links

Companion Pattern for Studio 180 Design's  
Wing Clipper® I Tool

Finished Quilt Sizes: 8 sizes from Wall to King/Queen

Interlocking chevrons make a fun and unique looking quilt. A difficult looking design is made easy using flying geese, making this a quick and easy quilt to master. With so many size options available on the **Wing Clipper® I** you can make this quilt in 8 different sizes. The Love Links are made by assembling traditional flying geese into Chevron blocks using two geese in reverse colors. Those blocks are arranged to make links which are interlocked to create the Love Links pattern.

## Fabric Requirements
